## OFFICE OF RESIDENTIAL LIFE

Dear Student,

As we prepare for your arrival, you have been identified as a student residing in a triple room within a suite. While the Rhode Island Department of Health and CDC recommend single and double occupancy rooms, we want to give you the option to either remain in the triple room or be re-assigned to a double occupancy room. The triple room you are assigned to is spacious and provides for social distancing.

Please review the following options:

1. Remain in the triple room you are currently assigned to with your two roommates. All roommates must agree to stay in the room in order for the room to remain a triple.
2. Request to move. Please note we cannot guarantee that you will be placed in a specific location or with your specified roommate.

Please complete the [Triple Room Preference Form](#) by **Friday, July 24<sup>th</sup>** with your preferred option. If you have any other questions or concerns, please contact us at [reslife@bryant.edu](mailto:reslife@bryant.edu) or (401) 232-6140.

Sincerely,

Jana Valentine  
Director of Residential Life
