

Steps For Uploading Vaccine Documentation to Medicat

To access Medicat:

- Log into the my.bryant.edu portal
- In the “Quick Launch” drop down select “Medicat”
- Log in using your credentials (same username and password as the Bryant portal)
- Select “Upload” from the main page
- Select your document to upload. Acceptable documents to provide as verification include: Vaccine Card, Print out from Department of Health in the state you were vaccinated, or Immunization Record from your medical provider

Documentation will only be accepted through the Medicat portal. Please do not email, mail or fax your documentation. Please contact Health Services directly with any issues uploading your documentation.
